“THIS IS A HUMANITARIAN CRISIS AND A HUMAN RIGHTS CRISIS.”

Dr. Kate Spradley, Ph.D. is the Director of the Forensic Anthropology Center at Texas State University and the subject-matter-expert in charge of *Operation Identification*, a volunteer effort to identify and repatriate migrant human remains back to their families in Central and South America. In a videotaped interview on June of 2018 she stated that “this is a humanitarian crisis and a human rights crisis because they are never going to know what happened to their loved one.”
