

AIDING & ABETTING OF DOMESTIC TERRORISM
EXHIBIT 45 - FRAME 45 (SMPTE TIME CODE 00;00;21;27)

“PAID FOR BY DONALD J. TRUMP FOR PRESIDENT, INC. APPROVED BY DONALD TRUMP.”

The Trump Campaign communications team laid the responsibility for this ad squarely at its own feet. The statements *PAID FOR* and *APPROVED BY* prove it’s not a PAC (Political Action Committee) ad, or that the ad is from some organization they couldn’t control. Donald Trump personally paid for and approved his own TV spot featuring a *vigilante*. This raises serious constitutional questions about defending the Constitution from enemies foreign and *domestic*.
