

**CATEGORY: AGENT OF INFLUENCE**  
**EXHIBIT 4-D: HIDING IN PLAIN SIGHT / “THE DOSSIER”**

**Description:** The “hiding in plain sight” technique includes a burlesque on espionage stereotypes. The use of the “dossier” concept in this photograph once again points to no commercial value and can only serve as a blunt reminder to President Trump that he has been compromised and that the dossier is very real. The message is repeated: you either “play ball” or you will face the consequences.
